Up & Coming...

- **Adventures...** We have birthdays, Swartz Creek's Chili Dinner, Adams Family Play at FHS, our General Membership Meeting, our Paint Party at Jack's and our Tea Party! After that is May Banquet and June's Art in the Park. With a little

extra effort of committee members, Art in the Park can be our easiest and best way to shine and increase our funds for the community. This would be by working with Carolyn B to get word out to potential artisans and shoppers through all the art councils and every form of media.

- We are starting the final leg of our budget year. Please review what yearly expenditures are yet to be made. This could be for our meeting place, Movies or Music in the Park, the First Grade classrooms... Also, if you have labels or Bueches receipts, please turn those in to Karen G. The program will be ending with the school year.
- Save the Dates are out for Restore Hope Banquet in Howell, MI, April, 27 at 6:30pm. Contact amy@restorationplace.org

- So looking forward to seeing some of our snowbirds and those that have been out with parents. Wonderful ladies and we have missed them!

Lil Notes...

- I missed this at the meeting, but a belated **thank you to our wonderful February hostesses** – Carolyn M and helpers!
- March is Women's History Month. One woman will make club history when we take a vote in April for **Club Woman of the Year**. So begin thinking of your nominee!
- Much club information is shared at our meetings, but it also shared through emails, our newsletter and minutes. So as an active club member, please take just a few quick minutes to review these. **AND** remember to bring your name badges and your white notebook (aka 'yearbook') to the meetings.
- We still are in need of a volunteer for '**International**'. I think this is a simple post... to have a few checks issued and update club on International now and then.
- If you pick up extra **personal care items**, please bring them in for Flushing Christian Outreach Center.
- Women's Club meetings will be **cancelled** when there are school closings in Flushing.
- Diane LaBree and Teresa Matthews co-chair the Media committee. If you have items for **Facebook** for club or your events please send them to Diane. If you require **web updates** for club or your events, please submit them to Teresa.
- Have a tale to share with us? Take the floor for \$1 for '**Buck Tales**'.
- Please remember any soup **labels**, Bueches **receipts** or **boxtops** that you may have collected for our Education Committee. If you are a Kroger shopper, you can sign up for Flushing Schools or Genesee District Libraries through Kroger's service desk or online. (←-Karen M has info cards.)
- Please contact Judy Tidball, if you hear of someone in club who should be sent **flowers or a card**.
