Lil Notes...

- Much **club information is shared** at our meetings, but it also shared through emails, our newsletter and minutes. So as an active club member, please take just a few quick minutes to review these. **AND** remember to bring your name badges and your white notebook (aka 'yearbook') to the meetings.
- If you pick up extra **personal care items**, please bring them in for Flushing Christian Outreach Center. **This month there is a special request for men's briefs and boxers in L & XL, women's larger underwear, dish soap, laundry soap, and pancake syrup.**
- Women's Club meetings will be **cancelled** when there are school closings in Flushing.
- Diane LaBree and Teresa Matthews co-chair the Media committee. If you have items for **Facebook** for club or your events please send them to Diane. If you require **web updates** for club or your events, please submit them to Teresa.
- Have a tale to share with us? Take the floor for \$1 for '**Buck Tales**'.
- Please remember any soup **labels** or **boxtops** that you may have collected for our Education Committee. If you are a Kroger shopper, you can sign up for Flushing Schools or Genesee District Libraries through Kroger's service desk or online. (<-Karen M has info cards.)
- Please contact Judy Tidball, if you hear of someone in club who should be sent **flowers or a card**.
